

## Companions;

Our June Convocation is the annual **DC Night! Most Excellent Howard Coleman** will once again be our host, and we will receive a fine talk by **James Loudermilk** concerning the new FBI. Dinner is at 6:30. Come sit on the side lines and enjoy the fun! Companions, Red Coats are again available at a bargain price from Ernie Sullivan in Woodbridge. See [www.vayorkrite.org](http://www.vayorkrite.org) Kemper-Macon Ware lodge noted in their March Trestleboard that the Health Insurance Portability & Accountability Act (HIPPA) of 1996 was designed to force the healthcare industry to computerize information. This resulted in privacy concerns & new privacy regulations from the Department & Human Services. It also covers fraternal organizations. Therefore, if you DO NOT want to be listed in the newsletter as ill let the editor and secretary know now. This has also effected our attempt to keep in contact with our out of town Companions. We have a number of such members who we now know nothing about. Companions, please be certain that your family **AND** caregiver knows that it is your wish (instruction) that in the event you are disabled they are to contact your Blue Lodge, or Chapter. Without those instructions your doctors or caregivers are bound by law to **not** notify us.

## DID YOU KNOW?

The Mayo Clinic started in a Masonic Temple. Its early headquarters were in the Rochester Minnesota Masonic Lodge # 21. William, Charles H., and Charles W. Mayo were all members of that lodge.

## Laugh of the month:

I really got hurt the other day. I was on this horse and it bucked and jumped so much it nearly killed me. Fortunately, the Wal Mart manager came out and unplugged it.

Do you have a "Did You Know" or "Joke of the Month" to share? Please let me know and we'll run it in the monthly communication.
