

Companions:

Please note the important change in our June Stated Convocation. The annual **DC Night** will be held at **Sharon Lodge in McLean** on 14 June. We are trying this experiment to allow for better parking and access to the building. Sharon Lodge is all on one floor, so we hope to see everyone there. The dinner starts at 6:30 P.M. I am hoping for a large turnout; especially from our Virginia Companions. Another BIG BONUS is that if you have forgotten the signs and words, you will NOT need them for this meeting. Those sitting on the sidelines do not have to participate in the formal opening. Do remember to bring your current dues card or a check for your dues.

On a sad note, I regret to inform you that **Excellent Lawrence Bates, PHP** passed away in May. We are still trying to identify the specific date.

On a much happier note, on behalf of the entire chapter, let me extend our congratulations to **Companion Sam Poore** who's daughter will be installed as Honored Queen of Bethel # 1 on 17 June at 5:00 PM in Arlington-Centennial Glebe Lodge. Let's see how many red jackets we can get there, okay?

Sincerely and Fraternally,

John Wesley Pearson

DID YOU KNOW?

The word "normal" derives from the Latin "norma" meaning "a rule or pattern", and was also the name of the workman's square. Something made with a "norma" was considered correct. In English the word "normalcy" was first only used for the mathematical concept of a right angle.

Laugh of the month:

I wasn't feeling well so I went to see my doctor. He asked if I'd had this before? I said yes, and he said well you got it again.
