

## Companions

### HELP WANTED

1. One good Royal Arch Mason who either knows or can quickly learn how to open and close a chapter, and has the time to spare 3 evenings a month to attend one chapter stated convocation and two Royal Arch schools each month, and in two years time can serve as High Priest for one year.

2. One other Royal Arch Mason who can step in at Grand Master of the Third Veil and continue through line to become High Priest in five years.

At our March convocation we plan to confer the **Holy Royal Arch degree** on our two candidates as well as four from Mount Vernon Chapter. Please attend to watch our newest companions receive this degree! We have moved our previously scheduled speaker ("The Copper Kings" by Gary Bouck) to a latter month.

## DID YOU KNOW?

Good musicians back up good singers, like guitarist James Burton. Of course, with Jerry Lee Lewis, he both sings and plays his own piano.

Ironically James is on Jerry Lee's rock & roll cut of Merle Haggard's "Workin' Man's Blues", on which James plays the lead guitar. He's the same James to which Elvis frequently yells "Play it, James" during

his concerts and on many of his records. And it's the same lead guitarist you hear on so many of Ricky Nelson's early records like "Waitin' In School", "Hello Mary Lou", and "Believe What You Say" (when

Ricky yells "Well, let's pick it now" in that one, he's yelling to James Burton. (submitted by Excellent Dan Duvall)

Have you got a "Did You Know" to share? Please let me know and we'll run it in the monthly communication.
