

Companions: It is with considerable pride and a great honor to become your High Priest in this outstanding Chapter of Royal Arch Masonry. . The historical significance of Arlington Chapter # 35 is a history of treasure. I am not speaking about the monetary worth of this Chapter, but the depth of experience, knowledge, and contributions all of you possess, and have made, with your individual and collective backgrounds and knowledge. This treasure has provided the where-with-all for making our Chapter renown for its integrity and its "mark" in Royal Arch Masonry. Your efforts are noteworthy and I ask for your continued support.

Our immediate Past high Priest, John Wesley Pearson will give a talk on "Terrorism Update Today" at our stated Convocation on 11 October. It will be an informative overview of this most important subject. The Grand Chapter will hold its 199th Convocation November 16-18 in Williamsburg. Hotel reservation need to be made no later then 19 October and dinner reservations by 15 October. Contact our Secretary, Bulletin Editor, or me for reservation forms. Or go to www.virginiaroyalarch.org on the web for details. The Super Excellent Master Degree will be conferred on anyone who wishes it at 9 A.M. on Friday the 17th. This degree fills the gap between the completion of the temple and the return from exile and is done in costume by a great cast. There is a \$25.00 fee for the degree. The Convocation will be an exciting event as always. Consider seriously attending this year.

Sincerely and Fraternally,

Laugh of the month:

A bum asked a fellow, "Give me \$10 till payday." The fellow responded, "When's payday?" The bum said, "I don't know! You're the one that's working!"

DID YOU KNOW?

Brother Wolfgang Mozart's middle name was actually Gottleib (God's Love). He chose the Latin equivalent Amadeus because he felt it had a more musical sound.

Education:

I am Law. I am Nature's way. I am God's way. By me comes order, unity. In my hand I hold three gifts: health, happiness, and success.

Those who do not follow me are devoured by the dogs of disease, misery, and failure.

The ignorant fear me, they run from my face; they tremble at my voice; but the wise love me and seek me forever. I am their desired lover. Fools think to outwit me, and that no son of

man has ever done.

I am more clever than the cleverest. I am stronger than the strongest. I am old as God. I never sleep. I never err. I am virile as youth. I am accurate as mathematics. I am beautiful as poetry. I am sweet as music.

Without me there could be no art, no harmony of sounds, no charm of landscape or picture, no government, no life.

I am the secret of goodness. I am the horror of sin.

I am the eternal path, and besides me there is none else. Without me men wander in the labyrinth of death.

Heaven is where I am. Hell is where I am not.

I am efficiency in man. I am loveliness in woman.

I am everywhere; in every wrinkle of the infinite waves of water, in the oak, in the brain, in nourishment, in excreta, in disease, in soundness, in the lover's clasp, in the corpse, in the stars, in the storms.

I whirl, I dance, I flame, I freeze, but always mathematically. For I am more intricate than calculus, more accurate than any instrument. They that live by me find peace.

They that kiss me find love.

They that walk with me come at last to God.
